REFILLABLE INK SOLUTION FOR CANON TM-SERIES PRINTERS

A Premium Ink to meet your professional printing standards.

Splashjet offers a refillable ink solution for Canon TM series printers with refillable cartridge and premium inks curated specifically to produce vibrant and precise prints while ensuring the printer compatibility. In addition to excellent image prints and accurate text lines that meet professional printing standards, our solution includes a new magenta ink that delivers outstanding red tones and vivid prints. This ensures both high-quality output and cost-effectiveness.
